Title: Justice

Author: Love's Sword

This text is part of the
Tome of Love, a book of
seven parts which you
may complete by following
such clues as can be
found.

This should appear
as your second entry:

Without Love there is
no Justice, as there is
nothing to temper the
judgments made by the
mind's eye. The Heart
knows right from wrong
and will often see clearer
than the head. Without
Love, there is only the
cold Truth of facts laid
bare, which will not
always make a wise
choice.
None of Me.
